The screenshot shows the Perforce website's download page for the Helix Visual Client. The browser's address bar shows the URL `perforce.com/downloads/helix-visual-client-p4v`. The page content includes instructions on how to download the client, a note about selecting the EXE file type for Windows, and three dropdown menus for selecting the 'FAMILY' (Windows), 'PLATFORM' (Windows (x64)), and 'VERSION' (2024.4/2711678 (EXE)). A blue 'DOWNLOAD' button is visible below these options.

A red box highlights the download history overlay in the top right corner of the browser window. The overlay is titled 'Histórico de transferências recentes' and lists two files:

- p4vinst64.exe**: 174 MB • Concluído
- p4vinst64.msi**: 160 MB • Há 10 minutos

Below the file list, it says 'Histórico de transferências completo'. A red arrow points from the download icon in the browser's toolbar to the download history overlay.

At the bottom of the page, there is a section for 'Plugins, APIs & Utilities' with a 'SEND FEEDBACK' button. A chatbot notification bubble is also visible in the bottom right corner, asking if the user would like to learn more about the Digital Creation and Collaboration Platform.
